

13 PLASTER

INTERNATIONAL FESTIVAL OF GRAPHIC DESIGN

10.06-25.09.2022

CENTRE OF CONTEMPORARY ART _ IN TORUN

In light of recent events we have decided to change our plans and dedicate this year's Festival to Ukraine. Designers from many countries are invited to contribute to the shows providing visual support for the brave people of Ukraine. The meaning of the word "plaster" is quite important here – as a symbol of aid and solidarity with our neighbouring country. There is no one motto to guide you as you work on your projects. The idea is to let you express your emotions and have your say on affairs directly related to the war in Ukraine, world peace in the broad sense, the issues of totalitarianism and violence.

An international jury is going to select from the submitted files works to be presented at the exhibition. Each artist qualified for the show will receive from us a copy of the exhibition **catalogue** free of charge. The **deadline** for submissions (posters, illustrations, typographic works, etc.) is **April 30th, 2022**. However, as this spontaneous change of plans means that time is tight, I would greatly appreciate early submissions. The organisers will cover the costs of printing all the selected projects.

Files (one project per artist) should be mailed to: plaster@csw.torun.pl

Please stick to the following pattern when naming your file:

first name _ last name.jpg (e.g. john _ smith.jpg)

Please include your postal address in the email message.

70 x 100 cm pion, jpg, or pdf, 300 dpi, cmyk
